'You Do Well' by Wari Numbere
As I dey here
No be by my power
No be say I too much
Na God dey keep me oh

God don bless me
With many many blessings
No be say I too much
Na God dey bless me oh

God don heal me
Take away my sickness
No be say I too much
Na God dey heal me oh

Papa You do well oh
Daddy You love me so
Blessings You give me oh
