Go Back

Appleton, Crabby

[Talking]
Yeah, ha
See right about now
I wanna talk to you about something that's real
See baby we been together for a long time now
And uh, well
I don't know how to say this but uh
I watched us go from nothin to somethin' ya know?
It seems like we forgot how to love each other
And I don't wanna throw that away
So, let me explain you how I feel
Listen
[Verse 1]
Do you remember
When I used to call your phone
That slow song would come on
And your voice said you ain't home
Do you remember
You were proud to tell your friends
You had a ghetto man
And he lived in ghetto land
Somethin happened
And now that we got dough
You act like you don't know
How to do it on the flow
I ain't tryna say we changed
But it just don't feel the same
Girl why can't we go back to the old days
[Chorus]
I want that ghetto love
The smell of eggs and balogna when I'm wakin' up
When we'd pull over on the highway girl and make some lovin
In my brother's truck
Tell me why can't we go back yeah
Why can't we go back
To that ghetto love
Where I sit up on the porch and you'd braid my hair
Put them old records on and we'd dance right there
We didn't have a care

Tell me why can't we go back yeah
Why can't we go back yeah
[Verse 2]
Do you remember
When we would ride through the 'hood on a Saturday
Open up our trunk inside the park and let our music play
And we would barbeque even though it ain't no holiday
Baby that's what I'm sayin'
Somethin' happened

Now I'm doin videos
And I'm doin' all these shows
And I don't feel this love no more
I ain't tryna say we changed
But it just don't feel the same
Baby let's go back to the old days
[Chorus]
I want that ghetto love
The smell of eggs and balogna when I'm wakin' up
When we'd pull over on the highway girl and make some lovin
In my brother's truck
Tell me why can't we go back yeah
Why can't we go back
To that ghetto love
Where I sit up on the porch and you'd braid my hair
Put them old records on and we'd dance right there
We didn't have a care
Tell me why can't we go back yeah
Why can't we go back yeah
[Bridge]
Why can't we just go back girl
Why can't we just go back girl
I know you hear me baby
Tell me you with it lady
Hey come on come on let's go let's go
Why can't we just go back girl
Why can't we just go back girl
I ain't tryna say we changed
But it just don't feel the same
Baby let's go back to the old days
[Chorus]
I want that ghetto love
The smell of eggs and balogna when I'm wakin' up
When we'd pull over on the highway girl and make some lovin
In my brother's truck

Tell me why can't we go back yeah
Why can't we go back
To that ghetto love
Where I sit up on the porch and you'd braid my hair
Put them old records on and we'd dance right there
We didn't have a care
Tell me why can't we go back yeah
Why can't we go back yeah
Yeahh ohh...
Oh... alright
Your my baby
Be my baby
Cause I love you baby
