

# When We Get By

D'Angelo

When we get by, we'll make it by  
When we get by with love  
I look in your eyes, when I look in your eyes  
I know what your thinking of  
Tis a beautiful day, and you're welcome to stay  
We can spend some time and catch the matinee  
You're so fine, and the day is fine  
And we'll be fine  
When we make it by and we get by with love  
When we get by, we'll make it by  
When we get by with love  
When we get by, we'll make it by  
When we get by with love  
When we get by, we'll make it by  
I look in your eyes, I look in your eyes  
They're pretty as the skies above  
Everything, everything, everything is okay  
We could make love in the shade  
Sip some chocolate lemonade  
You're so fine, and the day is fine  
And we'll be fine  
When we get by and we make it by with love  
When we get by, we'll make it by  
When we get by with love  
When we get by, we'll make it by  
When we get by with love  
When we get by, we'll make it by  
When we get by with love  
When we get by, we'll make it by  
When we get by with love  
I look in your eyes, I look in your eyes  
I know what you're thinking of  
'Cause it's a beautiful day  
And you know that's a fact  
You scratch mine  
And I'll scratch your back sugar  
You're so fine  
And today's fine  
When we make it by  
And we get by with love  
When we get by, we'll make it by  
When we get by with love

When we get by, we'll make it by  
When we get by with love
