

I Wanna Fall in Love (Acoustic Version)

[Tim Halperin](#)

I wanna fall in love, I really wanna fall in love
Where the birds and the flowers have some kind of power on me
I wanna hold your hand, like no one's ever held your hand
And we won't need a plan when all our tomorrows are free So look at me dear, I'm being sincere
I think you could be the one
So give me your hand and make me your man
Come on, let's give it a run
Cuz I wanna fall in love
I wanna see you smile more than just once and awhile
So why do you hide it? I'll make it appear, you'll see
I don't wanna take advice, I don't wanna think about it twice
Just give me your heart, there's nothing more I need So look at me dear, I'm being sincere
I think you could be the one
So give me your hand and make me your man
Come on, let's give it a run
Cuz I wanna fall in love oh
I wanna fall in love And we won't look back
We won't look back
We'll just fall in love Yeah we won't look back
We won't look back
We'll just fall in love
So look at me dear, I'm being sincere
I think you could be the one
Give me your hand and make me your man
Oh come on, let's give this a run
Look at me dear, I'm being sincere
I think you could be the one
So give me your hand and make me your man
Oh come on, let's give it a run
Cuz I wanna fall in love
I wanna fall in love What if I just drove you around the town my love
Then you could drive me crazy my love
Said there's nothing more that we need my love
