

Mr. Speed (demo)

Kiss

You need lovin', you're lookin' out for new romances
Yeah, it's true, you know you've got to take your chances
When I laugh, well baby don't you know you can cry
Cause you ain't enough lady,
To keep the master satisfied, yeah
Well, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
They call me Mr. Speed
You try pleasin', but gettin' on your knees don't make it
You try teasin', but baby you can't even fake it, no
Made it clear, but baby you can't even see me
So stop those tears 'cause baby
You can't even deceive, ah, ah
Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
Look outOw, I don't care
Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
Mr. Speed
Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
Mr. Speed
Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast
