Everything Left Out

Tuesday

I can't sleep tonight, I wish I could.
Cold air comes in through my window,
haunts me, it should.
I know I deserve to be starved and tired of friends.
No one should be put through this, but tonight,
I saw everything left out
I saw everything get torn up
I saw everything get left out
I saw everything dissolve, tonight.
When I pulled in my hands,
and I put down my head.
I know I can't teach a rock to fly.
Just watch as you're smiling.
Break every bone on the way down.
I know I would have fallen to my knees,
two years ago.
No one should be put through this, yet tonight,
when I pulled in my hands,
and I put down my head.
