

This Life I Lead (feat. Outlawz)

2Pac

This motherfucking life I lead
Shit
A hell of motherfucking road blocks and crooked cops
We still ride though
What side? West side I want money in large amounts my garage full of cars that bounce
Movin' my tapes in major ways 'cause every dollar counts
Bustas is jealous and half these niggas is punks
They runnin' off at the mouth till I fill up with my pump They jump my automatic keep 'em weary
While you fronting like you billy bad ass nigga you scary
I been knowing you for years we was high school peers in junior high
I was itchin' to kill and you was ready to die While you bullshitting niggas was dying and catching cases
Busting my automatics at motherfuckers in foreign places
Leaving no trace they see my face and then they buried
Them bitches die in a hurry still I ride I'm never worried Mr. Makaveli tell me to ride and I'm a ride
Pick my enemies out the crowd and muthafuckas die
It's not the way I wanna live my nigga it's how it is
Homie got into a fight last night they killed his kids In this life I lead fiend for currency get high off weed
Collect G's make my enemies bleed
When you see me nigga holla my set and watch 'em ride
Outlaw mother fuckers till we die In this life I lead fiend for currency get high off weed
Collect G's make my enemies bleed
When you see me nigga holla my set and watch 'em ride
Outlaw mother fuckers till we die in this life I lead I ain't a killer but don't push me dog
For that family I'll send that ass straight to God
And in this life I lead I've seen the most of my 23 years
My vision is blurry the money is clear Some of my peers eternally will sleep in a coffin
And when noble on the road I'm extremely cautious
It happened that fast split second you're gone
At the top of my tombstone put 'Noble is raw' Outlaw till I'm under the floor for Kadafi the prince
I stack dough like a clock on the bricks
With a watch on my wrist dog
I know the time these days we outlaws
We gonna die this way We already in the history books
Pac made sure of that whatever you took we taking it back
You know it's all for the foundation
Outlaws we still building the thug nation holla at your homie In this life I lead fiend for currency get high off
weed
Collect G's make my enemies bleed
When you see me nigga holla my set and watch 'em ride

Outlaw mother fuckers till we die
 In this life I lead fiend for currency get high off weed
 Collect G's make my enemies bleed
 When you see me nigga holla my set and watch 'em ride
 Outlaw mother fuckers till we die in this life I lead
 It ain't but nothing air between us oxygen is gettin' hot
 Got a problem mo' fag ass nigga kick rocks
 Now [Incomprehensible] on the phone and the nigga talking crazy
 I don't know who to blame him or [Incomprehensible] for killing babies
 I'm a New Jers Devil the street created
 rebel
 Only got one shot to produce on every level
 This is Maximus go to the max I must
 Nigga I came from not much so money I clutch u huh
 Napoleon the strength of strong arm
 With a dick they whistle and ride I put a move up on
 I'm a hardcore product of the ghetto
 Been blessed fo' sho to eat from out the ghetto
 I maneuver in the right lane quick to push back lanes
 Switch it to the left lane I play with my hands
 And I'm plotting on the fortune, it's gettin' hot and scorching
 I'm thinking like a scorpion that torturing an enemy
 In this life I lead fiend for currency get high off weed
 Collect G's make my enemies bleed
 When you see me nigga holla my set and watch 'em ride
 Outlaw mother fuckers till we die
 In this life I lead fiend for currency get high off weed
 Collect G's make my enemies bleed
 When you see me nigga holla my set and watch 'em ride
 Outlaw mother fuckers till we die in this life I lead
 Now with this outlaw lifestyle that I've been introduced to
 Money and hoes keep us closer to Lucifer
 Steady seducing us and I'm all for it
 It's the life for me and the law can't spoil it
 So you can call it what the fuck you want
 But I'm a baller alcoholic with a sawn off pump
 My mamma ain't raise no punk
 And even dead Pac so when I jump off I breathe for yak
 Been puttin' in work so I walk with a bop
 And it safe at home so I sleep with a glock
 Thug living ugh what the fuck would be better
 I do my dirt with the family so we dying together
 We on a mission for mo'
 Gangsta shit on you hoes
 We ain't fucking with you lawyers
 Crossing niggas up out there dough
 Trying to live Godzilla
 Edi went from a bad boy to a anybody killer
 Look out wanted man guns in hand
 Stand firm nuts are my pride now let's burn
 Bound and profound going down swinging
 Holding my ground we the last ones breathing
 No stopping till we eating deep in the trenches
 So many killings it's senseless
 So in this life I lead I stay protected my God
 My squad and this thing in my palm
 Now all my hustling motherfuckers

 In this life I lead fiend for currency get high off weed
 Collect G's make my enemies bleed
