If You're Gonna Love Me

[Sass Jordan](#)

She's gettin' married lookin' at her life
Every time she turns around she's somebody's wife
But no dice, no she wants to break that chain tonightHe's been workin' sales, sleepin' on the phone
Every time he wants to quit, he can't make his loan
But he'll drive, they'll make that Texas line tonightCome on baby, no more maybe
This could make us young again just for a whileIf you're gonna love me
Love me tonight
If we're gonna do it
Let's do it right
If you're gonna love me
Love me tonight
The devil's gettin' dusty, 'cause sin is outta styleMommy's leavin' daddy, found another man
They can't feed the family sent the kids to Uncle Sam
But he lied, he couldn't feed them if he triedLet's get together, let's forget the ties
Let's be like in the movies, for a nightIf you're gonna love me
Love me tonight
If we're gonna do it
Let's do it right
If you're gonna love me
Love me tonight
The devil's gettin' dusty, 'cause sin is outta styleNow and then we think that everything's changing
That we can see the light
Then we stop and see it's always the same thing
Reality comes into sightCome on baby, no more maybe
This could make us young again just for a whileIf you're gonna love me
Love me tonight
If we're gonna do it
Let's do it right
If you're gonna love me
Love me tonight
If we're gonna do it
Let's do it right
If you're gonna love me, love me tonight
