Let It Go

Keyshia Cole

You need to get if he don't wanna
Love you the right way, he ain't gonna
It ain't where he's at, it's where he
Where he wanna be, yeah
Go Keyshia!
Yes, woo, fire
I like this one right here
This one for all my ladies y'all
Holla! Uh huh, let?s go
I don't want yo? man ?cause I got it like that
But it ain't even gotta be like that, h-h-heh heh heh
Your man he be callin' me back
He say I'm fine and a matter of fact, h-heh heh heh
He ask how I do like that, fit my jeans over baby phat
Listen, I don't know the type of tricks he playin'
But I should warn you, I don't want yo? man
I understand why you wanna try
Make him stay home late at night
But if he wanna go, he?ll be gone, no lie
I can't explain how many times I tried
How many times I cried
Thinkin? about mine and where he might be
(Baby I don?t wanna worry no)
Remember when I gave everything I got
Couldn?t get deep down inside
How you love someone who didn?t love me
But now I get if he don't wanna
Love you right way, he ain?t gonna
It ain?t where he?s at, it?s where he
Where he wanna be
If he ain?t gonna love you the way he should then let it go
(If he ain't gonna)
If he ain't gonna treat you the way he should then let it go
(If he ain't gonna)
If he ain?t gonna love you the way he should then let it go
(Let it go, ooh)
If he ain?t gonna treat you the way he should then let it go
When this song come on in the club
They gon' be like, ?Damn! That's hot!?

And when they play it in the car
They gon' drop they tops like, ?Damn! That's hot!?
They gon? mix it with Biggie, ?It Was All A Dream?
Like, ?Damn! That's hot!?
Me and Keyshia don't stop 'til the tick don?t tock
Like, ?Damn! That's hot!?
Now understand why I take my time
Touching home with alibis
Trying get me to see that's where you trying to be
But I don't want your man, your man?s been callin? me
Trying to get me to see that he wants me to be with him
But he ain't the one for me
And if you only knew
You would do what you had to, finally see that
(Finally get the chance to see that)
You need to get if he don't wanna
Love you the right way, he ain?t gonna
It ain't where he's at, it's where he
Where he wanna be, yeah
Uh uh uh, here?s a little lesson, Lil? Kim don't stress 'em
Kick 'em all straight to the curb like Beckham
Broke up with my ex, he was huffin? out
But little do she know she's just a rebound
Callin? my phone, she?s so out of pocket
I been there before, oh girl you need to stop it
When he's with you, he's wishing it was me
You might be where's he's at, but I'm where he wanna be
If he ain?t gonna love you the way he should then let it go
If he ain't gonna treat you the way he should then let it go
If he ain?t gonna love you the way he should then let it go
If he ain?t gonna treat you the way he should then let it go
Hands up in the air!
When this song come on in the club
They gon' be like, ?Damn! That's hot!?
And when they play it in the car
They gon' drop they tops like, ?Damn! That's hot!?
They gon? mix it with Biggie, ?It Was All A Dream?
Like, ?Damn! That's hot!?
Kim and Keyshia don't stop til? the tick don?t tock
Like, ?Damn! That's hot!?
Yes! Fire baby
