

# Hard To Say No

## The Strypes

Climbing over the back wall  
Honey you keep falling over yourself  
Babe you're just like your mother  
You didn't pick it up off a shelf  
Excuse me but girl you amuse me  
So why don't you lose the innocent face  
Baby ain't that amazing  
That you can just save me from running the race 'Cause it's so hard to say no to a girl with those little black  
pumps Shake it you got to take it  
Baby don't break it, make me believe  
It's over give me the shoulder, give me it colder  
I wanna reave  
Heartbreak hit me with heartbreak  
Girl I've been dreaming, dreaming of this  
Disaster my menacing laughter  
'Cause I'm only after your little kiss 'Cause it's so hard to say no to a girl in those little black pumps  
Baby it's so hard to say no to a girl with those little black pumps Climbing over the back wall  
Honey you keep falling over yourself  
Babe you're just like your mother  
You didn't pick it up off the shelf 'Cause it's so hard to say no to a girl with those little black pumps  
Yeah it's so hard to say no to a girl in those little black pumps  
Said it's so hard to say no to a girl with those little black pumps
