Search And Destroy

Emanuel

Im a street walking cheetah with a heart full of napalm
Im a runaway son of the nuclear a-bomb
I am a worlds forgotten boy
The one who searches and destroysHoney, gotta help me please
Somebody gotta save my soul
Baby, detonate for meLook out honey 'cause I'm using technology
Aint got time to make no apology
Soul radiation in the dead of night
Love in the middle of a firefightHoney, gotta strike me blind
Somebody gotta save my soul
Baby, penetrate my mindAnd Im the worlds forgotten boy
The one whos searchin, searchin to destroy
And honey, Im the worlds forgotten boy
The one whos searchin, only to destroyLook out honey 'cause Im using technology
Aint got time to make no apology
Soul radiation in the dead of night
Love in the middle of a firefightHoney, gotta strike me blind
Somebody gotta save my soul
Baby, penetrate my mindAnd Im the worlds forgotten boy
The one whos searchin, searchin to destroy
And honey, Im the worlds forgotten boy
The one whos searchin, searchin' to destroyForgotten boy, forgotten boy
Forgotten boy, said hey forgotten boy
[Incomprehensible]
