What You Do To Me

We The Kings

I wanna be the picture on your wall
I wanna chase you around until we fall
I wanna be the one you write about
I wanna be the one who never lets you down
But right now I feel like I am losing control, losing control
Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do
Your the storm, let it rain
You've got eyes like a hurricane
Hey, hey, hey, hey
You've no clue what you do to me
You've no clue what you do to me
I can make you laugh until you cry
I can tell your mood just by your eyes
I can sleep with your head on my cheek
And I could be the one you'd never want to leave
But right now I feel like I'm losing control, losing control
Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do

Your the storm, let it rain
You've got eyes like a hurricane
Hey, hey, hey, hey
You've no clue what you do to me
And we'll both fall, we'll lose it all
But we'll have each other
And we won't make the same mistake
Cause we're better together
And we're smarter than before
Cause we have have been through the world
And we know that there is more
When you find the one that you are looking for
Hey, hey
My head is spinning cause of you
Hey, hey

You've no clue what you do
Hey, hey, hey, hey
My head is spinning cause of you
Hey, hey, hey, hey
You've no clue what you do
You're the storm, let it rain
You've got eyes like a hurricane
Hey, hey, hey, hey
You've no clue what you do to me
You've no clue what you do to me
You've no clue what you do to me
