Milk Train

Jefferson Airplane

I don't wanna stop your milk train running
I just like to ride it some of the time
I don't think you'd mind if I mention it
Don't leave your cow juice behind
It'll cost you nothingWell, I got the time to talk to you
If you got the time to laugh
I don't have to pay for your open mouth
You don't have to talk through it
I'll give you a free milk tongue bath
Cost you nothingSome men even talk me by
Some men are but liquid in the mind
Some men are absolutely rigid
Some easy feeling but they are so hard to find
You got most of my body
Damn near all of my mind unwindingMilk train come by here everyday
Have another little taste of wine
It cost you nothing
