## Phil Lewis

Talk about love

Talk about loveI've been around this great big world, yeah

Had my share of shady deals and girls, hey

Now, I've been thinking of the coming attraction

The wink of an eye and the gleam of satisfactionTalk about love

Talk about loveHere she comes

Never get enough of that sex action

Baby knows wherever she goes

She got sex actionHow'z baby, I got the potion

You're a cool operator got the machine in motion

Now, we're all alone doing all the talking

She's got me on my back

Let her fingers do the walkingTalk about love

Talk about loveHere she comes

I never get enough of her sex action

Baby knows wherever she goes

She got sex actionTalk about love

Talk about loveHere she comes

I never get enough of that sex action

S E X, who's next, yeah

Sex actionAnd it always feels so goodGirl, she got style

Boy, she got sleaze

Ah, she's knocking them dead

She's got me down on my kneesNow listen, I'm a sex gun lover in the heat of the night

Don't run for cover, I got you in my sightsTalk about love

Talk about loveHere she comes

I never get enough of that sex action

Baby knows wherever she goes

There'll be sex actionS E X, I know who's next for sex action

Baby knows wherever she goes

She's gonna get it

(Sex action)She's gonna get it

(Sex action)

I'm gonna give to her, yeah

(Sex action)She's gonna get it
