Girls Like Girls

Hayley Kiyoko

Stealing kisses from your Mrs, does it make you freak out
Got you fussing, got you worried, scared to let your guard downBoys, boys
Tell the neighbors I'm not sorry if I'm breakin' walls down
Building your girl's second story, rippin' all your floors outSaw your face, heard your name, gotta get with you
Girls like girls like boys do, nothin' newIsn't this why we came? Gotta get with you
Girls like girls like boys do, nothing new
Girls like girls like boys do, nothing newAlways gonna steal your thunder, watch me like a dark cloud
On the move collecting numbers, Imma take your girl outWe will be everything that we'd ever need
Don't tell me, tell me what I feel
I'm real and I don't feel like boys
I'm real and I don't feel like boysSaw your face, heard your name, gotta get with you
Girls like girls like boys do, nothing newIsn't this why we came? Gotta get with you
Girls like girls like boys do, nothin' new
Girls like girls like boys do, nothin' newI've been crossing all the lines, all the lines
Kissed your girl that made you cry, boysSaw your face, heard your name, gotta get with you
Girls like girls like boys do, nothing newIsn't this why we came? Tell me if you feel it too!
Tell me, girls like girls like boys do, nothing new
Girls like girls like boys do, nothing new
