

# With a Little Help from My Friends

Joe Anderson

What would you do  
if I sang outta tune  
would you stand up  
and walk out on me lend me your ears  
and I'll sing you a song  
and I'll try not to sing  
outta key oh I get by with a little help from my friends gets high with a little help  
from his friends oh I'm gonna try with a little help from my friends what do I do when my love is away  
does it worry you to be alone how do I feel by the end of the day  
are you sad because your  
on your own I get by with a little help  
from my friends yeah, I get high with a little help from my friends oh, I'm gonna try with a little help from my  
friends do you need anybody  
I need somebody to love  
could it be anybody  
I want somebody to love would you believe in a  
love at first sight yeah I'm certain that it happens  
all the time what do you see when you turn  
out the light, I can't tell ya  
but I know it's mine oh, I get by with a little help  
from my friends mm, I get high with a little help from my friends oh, I'm gonna try with a little help from my  
friends do you need anybody  
I need someone to love  
could it be anybody ohhhh~ have a little help from my friends  
have a little help from my friends  
try a little help from my friends  
have a little help from my friends I get by with a little help from my friends, with a little help
