

# Somewhere In the Night

## Smog

Have you lost your faith  
Have you lost your way  
Have you lost everything

Yesterday You should leave me behind  
And devote all your time  
To kissing the spoon  
That you once fed him from Do you lose your mind  
Somewhere in the night  
While searching the asides  
And the b-sides You should leave me behind  
And devote all your time  
To licking the spoon  
You once fed him from
