

It'll all be over

Supreme Jubilees

One of these old days, yeah
One of these old days
We ain't gonna have to cry no more
You see God's gonna wipe away all our tears
He gonna wipe the tears, yeah
He gonna wipe the tears from your eyes
Do you hear me out there this evening
I said we ain't gonna cry
We ain't gonna cry no more One of these old days, one of these old days
It'll all be over
It'll all be over
It'll all be over
And we won't have to cry no more
And we won't have to cry no more Sometimes, sometimes
The burden it gets so heavy
But I wanna let you know this evening, yeah
I want to let you know
That if you can just hold on
Hold on a little while longer Cause one of these old days, yeah
One of these old days
It'll all be over
It'll all be over
It'll all be over
And we won't have to cry no more
We ain't gonna have to cry no more
And we won't have to cry no more
