

# I Hate Boys

Christina Aguilera

No, I'm not bitter, I'm not mad  
Well, maybe just a little just a tad  
I know every apple here ain't bad  
But I found a worm in every single one I had  
Boys, they're only good for fruit  
I mean bananas  
Boys, them boys are nuts  
They're driving me bananas  
Oh boys, you should pack 'em up and ship 'em out  
The boys, the boys, the boys, I hate 'em  
I hate boys but boys love me  
I think they suck and my friends agree  
I hate boys but boys love me  
Yeah, yeah, yeah, yeah, yeah, I hate boys  
If you hate them boys, shake it, now shake it  
If you hate them boys, shake it, now shake it  
If you hate them boys, shake it, now shake it  
We would all be happy, all be glad  
If sweet mama nature never had  
All these dirty little boys  
That think that the girls were only made for toys  
Ooh, boys  
Boys are so immature  
They rarely turn to men  
But then again all men are dogs, "woof"  
All men are dogs  
I hate boys but boys love me  
I think they suck and my friends agree  
I hate boys but boys love me  
Yeah, yeah, yeah, yeah, yeah, I hate boys  
If you hate them boys, shake it, now shake it  
If you hate them boys, shake it, now shake it  
If you hate them boys, shake it, now shake it
