

Nothing More to Say

Ã-lga

Nothinâ€™ more to say
Nothinâ€™ more to do
Nothinâ€™ more to bother
Myself with you

Ainâ€™t got nothinâ€™
To write home about
You ainâ€™t someone
Need me worrinâ€™ out

Got nothinâ€™ more to say

Itâ€™s no surprise
Looking at the truth
So says the doctor
Pull a bad tooth
Another sign
Theyâ€™re all around
Tellinâ€™ me pick it up
Get a move on

(Chorus)

Silver linings
Donâ€™t always shine
When holdinâ€™ a candle
For the first time
But it glows on me
And now I know
Time Iâ€™m a showinâ€™
You to the door

(chorus)

See Iâ€™m a makinâ€™ room in my heart

For someone deserving to hold a part

And I got nothinâ€™ more to sayâ€!
