

My Mustang Ford

Chuck Berry

I got a nineteen sixty-six cherry red Mustang Ford.

It got a three hundred and eighty five horsepower over load

You know it way too fast to be crawlin' on these interstate roads. I broke her in at the airport on a runway at the
J.F.K.

I just touched the gas pedal and like to ran off into Jamaica Bay

I had to spin the wheels backwards or the momentum would have carried me away. It getting' to be a big problem
trying to figure the best possible route

I tried to stop in Indianapolis once, and had to back up from Terre Haute

But now I can slow and stop her with my windbreaker parachute
