

I Love U

Chris Brown

I don't know it is but (I love you I love you I love you)

I don't know what you do but (I love you I love you)

Oh baby,

Baby I don't know what it is but you drive me

Crazy and every time I'm around you girl it feels

Amazing and I'm on my best behavior when I'm with

My baby cause I cant lose my baby

I don't met a lot girls in my life but they not like you no

I don't been with the best and

Baby you the best of the best you the greatest

[Chorus]

I don't know what it is but (I love you I love you I love you)

I don't know what you do but (I love you I love you I love you)

I don't know what it is but (I love you I love you I love you)

I don't know what you do but (I love you I love you I love you)

Lately when you're gone all I do is think about my baby,

I'm so gone off you're love and I don't know

Why baby its the way you love me hold me kiss me cause baby I

I don't met a lot girls in my life but they not like you no

I don't been with the best and

Baby you da best of the best you da greatest

[Chorus]

Whatever it is I'm satisfied

I don't want you to ever change

Cause baby you got me and that's no lie,

I am stay right here with my baby and I don't know why

[Chorus]

Oh baby
