Sheets

Alexander Remus feat. Liza Flume

I watch you walk away,
Cause i know thereâ€™s nothing i can say,
To make you stay,
So i close my eyes and i lay,

On the sheets where you kissed me so softy,
And promised me that youâ€™d be here in the morning Oh,
Now itâ€™s cold and Iâ€™m all alone and Iâ€™m wishing that you were coming home to me,

But we were a moment in time and you were never mine, you were never mine.

And I was so naive,
To think youâ€™d leave,
Her for me,

But Iâ€™ll wait on the sheets where you kissed me so softly,
And promised me that youâ€™d be here in the morning oh,
Now itâ€™s and iâ€™m all alone and iâ€™m wishing that you were coming home to me.

But we were a moment in time and you were never mine, you were never mine.

x2
So iâ€™ll wait on the sheets, where you kissed me so softly
But i know but i know but i know but i know that yourâ€™e not coming.
