

Always on My Mind

Johnny Cash & Willie Nelson

Maybe I didn't love you quite as often as I could have
Maybe I didn't treat you quite as good as I should have
If I made you feel second best girl I'm sorry I was blind You were always on my mind
You were always on my mind Maybe I didn't hold you all those lonely, lonely times
I guess I never told you that I'm so happy that you're mine
Little things I should have said and done, I just never took the time But you were always on my mind
You were always on my mind Tell me, tell me that your sweet love hasn't died
And give me give me one more chance
To keep you satisfied, I'll keep you satisfied Little things I should have said and done
I just never took the time But you were always on my mind
You were always on my mind
You were always on my mind
You were always on my mind
