

# Freeek!

## George Michael

You got yourself some action  
Said you got yourself a body  
You got yourself an ass with a mind of its own  
Brings something to the party You got yourself addicted  
You shoot off, it saves you time  
You got yourself a pay check  
Faces on the places where the sun don't shine I'll be your sexual freak  
(Freak)  
Of the week  
I'll be your inspirational brother  
(Sister)  
Yo, mamma can't you see I'll be your sexual freak of the week  
(Ohh, touch it)  
I'll be your educational lover  
Your one fuck fantasy Can I come on in, my sweet baby  
Can I move on in?  
Can I come on in, my sweet baby  
Can I move on in? You got yourself some action  
Said you got your sexy Java  
You got your speed connection  
Free chat, fuck that, get a little harder You got yourself a big bed  
You shoot off but take your time  
In the house with a bitch and a mouse  
And your daddy's plastic, how fantastic, yeah I'll be your sexual freak  
(Back up on this)  
Of the week  
(Yeah, I think I need to reboot)  
I'll be your inspirational brother  
(Sister)  
Yo, mamma can't you see I'll be your sexual freak  
(B-b-back)  
Of the week  
(B-b, push back, sexy mama)  
I'll be your educational lover  
Yeah, your one fuck fantasy Can I come on in, my sweet baby  
Can I move on in?  
Can I come on in, my sweet baby  
Can I move on in? Sexual freak, sister  
I think I need to reboot

Sexual freak, sister I'll be your sexual freak, of the week  
(You're such a sexy mama)  
I'll be your inspirational brother  
(Sister)  
Yo, momma can't you see  
(I think I need to reboot) I'll be your sexual freak  
I'll be your educational lover  
Your one fuck fantasy  
Sister, sexual freak, inspirational brother You got yourself some action  
Said you got yourself a body  
You got yourself an ass with a mind of its own  
Brings something to the party Come on kids, don't be scared  
It's a tits and ass world you gotta be prepared  
Come on kids, don't be scared  
It's a tits and ass world you gotta be prepared Come on kids  
You know your mama and your daddy don't care  
Don't be scared  
It's a tits and ass world you gotta be prepared
