

# Better Things

Jaden Smith

808 my crew  
Yuh (Woo)  
Yuh, not gonna get emotional, I don't know what that is  
Yuh, true calling shit  
YuhShe ahead of me (What), gave her everything (Yuh)  
She got better things (Damn), she got better things (Huh)  
She a Beatles fan (What), I'ma let it be (Let it be)  
Reject my wedding ring (Woo), accept my Hennessy ('Sy)  
She got better things (Yeah), she got better things (Yeah)  
She got better things (Better), she got better things (Better things)  
Girl, my head is clean (Yuh), got that energy ('Gy)  
You remember me? ('Member), you remember me?  
No, she too special (She too special), woo  
She on a whole 'nother level  
Turn on the TV, man, she on the channel  
And she can play the piano, damn (Damn), uh (Fuck)  
She the freshest, give her the bust down necklace (Necklace)  
She gave back the necklace, she told me I'm living too reckless, fuck  
Fuck, why you ignoring my message?  
She said "'Cause I'm working and I don't got time to go check it" She ahead of me ('Head of me), she ahead of  
me (Hey)  
Gave her everything (Woo), gave her everything (Yuh)  
She got better things, yuh (Hey), she got better things (Huh)  
She got better things (What), she got better things (What)  
You was seventeen (Yuh), you my everything (Yuh)  
We were heavenly (Yuh), now she say "You dead to me"  
She got better things, she got better things (What)  
She got better things (Huh), she got better things (What)  
Top down leather seats (Yo), too many fantasies (Yuh)  
I'm in Atlanta, jeez (Yo), harness my energy (Uh)  
She got, woah, she got, woah  
She got, woah, she got, woah  
We're not enemies (Uh), see these diamond rings (Yuh)  
You need ten of these (Yuh), and she just let it be (Yuh)  
She got better things (Yuh, huh, woah)
