

# Father

## Ugly Kid Joe

Beat me down, one more time  
Words of love, hard to find  
Gotta find my mother, she won't lie  
Where the hell's my father  
Farther, farther  
You like to lie  
Swimming in the water  
One last time  
Imagination cross my mind  
I beat the bush, I beat the bush

Shove me down  
Where the hell's my father  
Farther, farther  
You like to lie  
Father, old man, can you find me  
Father, old man, do you care  
Father, old man, can you find me  
Do you care  
Father  
You like to lie
