You've got kisses  
Sweeter than honey  
And I work seven days a week  
To give you all my  
To give you all my pride and joy  
Yeah baby  
To give you all my

You've got kisses  
Sweeter than honey  
And I work seven days a week  
To give you all my

To give you all my pride and joy

I need you I'm your pride and joy  
Yeah  
Yeah baby  
Waiting for you uh

And I fell in love with her  
You're my pride and joy

You've got kisses  
Sweeter than honey  
And I work seven days a week  
To give you all my  
To give you all my pride and joy  
Yeah baby  
To give you all my pride and joy  
Yeah baby  
To give you all my

You've got kisses  
Sweeter than honey  
And I work seven days a week  
To give you all my  
Yeah baby  
To give you all my pride and joy

You've got kisses  
Sweeter than honey
