

# She Works Hard for the Money (Studio Version)

Kris Allen

She works hard for the money  
So hard for it, honey  
She works hard for the money  
So you better treat her rightShe works hard for the money  
So hard for it, honey  
She works hard for the money  
So you better treat her rightOnetta there in the corner stand  
And she's wonders where she is  
And it's strange to her  
Some people seem to have everythingNine a.m. on the hour hand  
And she's waiting for the bell  
And she's looking real pretty  
Just waiting for her clientÃ`leShe works hard for the money  
So hard for it, honey  
She works hard for the money  
So you better treat her rightShe works hard for the money  
So hard for it, honey  
She works hard for the money  
So you better treat her rightTwenty five years have come and gone  
And she's seen a lot of tears  
Of the ones who come in  
They really seem to need her thereIt's a sacrifice working day to day  
For little money just tips for pay  
But it's worth it all  
Just to hear them say that they careShe works hard for the money  
So hard for it, honey  
She works hard for the money  
So you better treat her rightShe already knows  
She's seen her bad times  
She already knows  
These are the good timesShe'll never sell out  
She never will not for a dollar bill  
She works hard, so hard  
She works hardShe works hard for the money  
So hard for it, honey  
She works hard for the money  
So you better treat her rightShe works hard for the money  
So hard for it, honey  
She works hard for the money

So you better treat her rightShe works hard for the money  
So you better treat her right
