DJ Bobo

Music is what I'm living for Everybody loves to dance  
With another summer romance, uh baby  
Everybody likes to move  
All the fellows having the groove, uh baby Everybody move your feet  
To the rhythm of this beat  
Everybody sing this song  
All the people having fun Everybody move your feet  
To the rhythm of this beat

Hit the dance floor like there ain't no more  
Ain't no more time for taking your chance  
Jam diggity jam to this summer romance  
Wave your hands in the air  
Everyone and everywhere  
Move your body jump around check it out with this sound  
Everybody, everybody, get up and sing it loud
