

# Tumbling Vine

**Jeff Bridges**

Here is the freedom  
I have been sent  
I'm delighted  
I'm buddhistly bent  
Wonderful newness  
The past is a dream  
The future is hiding  
Ice and steam  
Here is my seat  
I do not pay rent  
I'm delighted  
I'm buddhistly bent Wonderful mind  
Outside of time  
Aimlessly playing  
A tumbling vine  
Shining, opening mind  
Beetle's black back on a tumbling vine  
Where the sun shines  
It's night all the time  
Behind my mind it's dawn  
It's gone  
It's gone  
Gone  
Here is the freedom I have been sent
