

# Care-a-Lot

## Samantha Perrie

Care-a-lot is a place we all can go  
Whenever we choose it  
Care-a-lot is a feeling we all know  
We never do lose it

We can find a secret place  
To rest and make a new start  
If you don't know where it is  
Look inside your heart

Care-a-lot is a playground you can't find  
For sliding and swinging  
Carousels playing music in your mind  
For dancing and singing

Sometimes you feel so glad  
Sometimes you feel so blue  
Share your feelings, it's not bad  
Feelings are just you

When you're lonely, don't you fret  
You're not alone, you just tend to forget  
Care-a-lot is easily found  
You've been there and you have friends who care  
Don't you let your sadness get you down

It always helps when you sing a song  
Good cheer carries you along  
Darkness leads to sunlight  
A new day comes, it's all right

Care-a-lot is a place you'd like to be  
Riding on a cloud  
You'll care a lot, it's a rainbow fantasy  
For laughing out loud

Care-a-lot is a place we all can go  
Come to Care-a-lot, it's a place we all can go  
Come to Care-a-lot  
Share-a-lot
