

Look At Me

Keri Noble

Look at me
Look into my eyes
Tell me do you see
That I am always by your side Or has the world got you down
On your knees
Come to me Look at you
Look into your heart
Tell me is there room for you
To make a brand new start Or has the world gotten to you
And made you dark
Come to me Cause' when you cry
All your tears I will wipe away
When you laugh
Who do you think got you that way When your dreaming
And you wake up
Is it me you want to see When your dreaming
And you wake up
Is it me you want to see Look at us
Look around the world
Cause all you seem to find
Are unhappy boys and unhappy girls Now tell me
Is that what you want
For you and me
Don't you want to be happy Look at me
Look into my eyes
Tell me do you see
That I am always by your side Look at me Look into my eyes
Tell me do you see that I
Am always by your side
Or has the world got you down
On your knees
Lookin' commonly You know you can always
Count on me
