

# Champion

Beckah Shae

I know better  
then I stayed down for too long (too long)  
'Cause it don't matter whether I feel it or I don't, I'm strong

I know why I'm taking blows like it's all good (it's all good)  
'Cause I'm still winning  
I'm just a little misunderstood

Even when I want to quit  
I just keep on pushing it

Determined to make a hit  
I just keep on aimin' to win

Like a champion  
Like a champion

It's in my blood

If loosing didn't hurt so bad, winning wouldn't feel so good  
So I own all this pain and I consider it gain like it should

'Cause I'm motivated and it's the only way I can go higher (higher)  
Until my good is better and my better is the best  
Yea, I'm that girl that's on fire

Even when I want to quit  
I just keep on pushing it

Even when I want to quit  
I just keep on pushing it

Determined to make a hit  
I just keep on aimin' to win

Like a champion

Like a champion  
Like a champion  
Like a champion  
Like a champion  
Like a champion

It's in my blood

No matter how hard it gets, I'm not afraid of it  
I'm gonna reach the end 'cause I'm a winner

Yea, I know where I'm going  
My confidence is showin'

'Cause I know why, why, why, I'm a winner

Like a champion  
Like a champion

It's in my blood
