

# No Love

Krizz Kaliko

The look upon my face  
Defines the room  
There's so much I want to say  
That I hide from you  
And it's obvious it hurts  
I can make it worse  
But I know my limits  
Show me a bible verse  
'Cause I don't want to search  
Just wanna end it  
It's so hard for me to pray  
While I sit and wait  
In a line for change  
And maybe you relate  
If you've ever played  
The waiting game  
Now my life is like a merry-go-round  
Sick and ready to stop now  
And I can't handle this speed  
Stop the world and let me off  
Stop the world and let me off  
Stop the world and let me off  
Let me off  
Please stop the world, let me off  
Let me off  
Please  
And I got the nerve to try to smile  
Ain't been happy for a while  
I only laugh to hide my pain  
And I got nothing left to give  
This ain't a way for me to live  
To get to the sun you gotta go through the rain  
It's so hard for me to pray  
While I sit and wait  
In a line for change  
And maybe you relate  
If you've ever played  
The waiting game  
Now my life is like a merry-go-round  
Sick and ready to stop now  
And I can't handle this speed  
Stop the world and let me off  
Stop the world and let me off  
Stop the world and let me off

Let me off  
Please let me off A message to the mentally disturbed:
