Feel You

Marc Et Claude

I can feel you across the miles of my body,
Almost physical, spiritual, like there was no separation,
Like you were right beside me, like a river

I can feel forever in my mind,
I can always reach for you inside
We can stay together in our minds
Feel you like a river never dies

Remember the bridge we crossed, ???
We can keep it alive, its just energy

I can feel forever in my mind,
I can always reach for you inside
We can stay together in our minds
Feel you like a river never dies

And I feel, I feel, I feel you, like a river
And I feel, I feel, I feel you, like a river
Can feel forever in my mind,
I can always reach for you inside
We can stay together in our minds
Feel you like a river never dies

And I feel, I feel, I feel you, like a river
And I feel, I feel, I feel you, like a river
And I feel, I feel, I feel you, like a river
