Find My Way To You

Nightcore

When there's nothing left to do, I will find my way to you,
Cause I need you so, I want to know, if I'll be the one you'll love.I'm standing in the cold, I've been waiting here for so long. I'm waiting for my love
to come and take me home. He's on his way from work and I'm longing for his love.
I hope that he will say that i'm the only one.When there's nothing left to do, I will find my way to you,
cause I need you so, I want to know, if I'm the only one you'll love.
when the dreams are passing by, we will be here you and i
there's no other way i wanna say your my sunshine in the rainI know that he will hold me in his arms through all the night
and he whispers to me, I'll be here all your life.
I'll make your dreams come true, almost anything you want.
I will be the one to hold you when everything is hard.When there's nothing left to do, I will find my way to you,
cause I need you so, I want to know, if I would be the one you'll love
when the dreams are passing by, we will be there you and I
there's no other way, I want to say you're my sunshine in the rain
