

From the Inside Out

Hillsong United

A thousand times I've failed

Still Your mercy remains

And should I stumble again

Still I'm caught in Your graceEverlasting

Your light will shine when all else fades

Never ending

Your glory goes beyond all fameMy heart and my soul, I give You control

Consume me from the inside out, Lord

Let justice and praise become my embrace

To love You from the inside outYour will above all else

My purpose remains

The art of losing myself

In bringing You praiseEverlasting

Your light will shine when all else fades

Never ending

Your glory goes beyond all fameMy heart and my soul, I give You control

Consume me from the inside out, Lord

Let justice and praise become my embrace

To love You from the inside outEverlasting

Your light will shine when all else fades

Never ending

Your glory goes beyond all fameAnd the cry of my heart

Is to bring You praise

From the inside out

Lord, my soul cries outMy soul cries out to You

My soul cries out to You

To You, to YouMy heart and my soul, I give You control

Consume me from the inside out, Lord

Let justice and praise become my embrace

To love You from the inside outEverlasting

Your light will shine when all else fades

Never ending

Your glory goes beyond all fameAnd the cry of my heart

Is to bring You praise

From the inside out

Lord, my soul cries outEverlasting

Your light will shine when all else fades

Never ending

Your glory goes beyond all fameAnd the cry of my heart

Is to bring You praise
From the inside out
Lord, my soul cries outFrom the inside out
Lord, my soul cries out
From the inside out
Lord, my soul cries out
