Fire Woman

Jizzy Pearl

Fire woman, yeah
Shake, shake, shake, shake it, yeah
Wound up, can't sleep
Can't do anythin' right, little honey
Oh, since I set my eyes on you
I tell you the truth
T-t-twistin' like a flame
In a slow dance, baby
You're drivin' me crazy
Come on, little honey
Come on now
Fire, smoke, she is a risin' fire, yeah
Smoke on the horizon, well
Fire, smoke, she is a risin' fire
Oh, smokestack lightnin'
Smokestack lightnin'
Well, shake it up, you're to blame
Got me swayin' little honey
My heart's a ball of burnin' flame
Oh, yes it is
Prancing like a cat
On a hot tin shack
Lord, have mercy
Come on little sister
Come on and shake it
Fire, smoke, she is a risin' fire

Oh, smoke on the horizon, yeah
Fire, smoke, she is a risin' fire
Oh, smokestack lightnin', baby
I was thinkin' what
I've been missin'
I'll tell you truthfully, well
She's comin' close now
Oh, I can feel her
She's gettin' close to me
And I never, yeah
Fire, smoke, she is a risin' fire
Oh, smoke on the horizon

Fire, smoke, she is a risin', risin', risin' fire
Smokestack lightnin'
Aj-j-j, burnin' out
And shake it, baby
Come on and burn it
I say, "Send down fire to me"
Say, "Send down fire to me"
Say, "Send down fire to me", yeah
Fire woman, you're to blame
Fire woman, you're to blame
Fire woman, you're to blame
Fire woman, you're to blame
