Diggin' In The Dirt

Stefanie Heinzmann

It doesn't matter
How many breaths it will take
Just how many moments took your breath awayIt doesn't matter
How many times you cried
Just how many reasons you find to smileIt's ok
It's alrightIt doesn't matter
How many times you fall
Just as long as you get up standing tallIt doesn't matter
If the world don't care what you do
Just as long as it's the world to you
Just hold on
Mhm, yeah
Keep on, and on and onDiggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told
Diggin' in the dirt
Diggin' in the dirt
To find some soulTo find some soulTo find some soulIt doesn't matter
If you're stuck deep in the mud
Just as long as you will keep your head up
And it is getting better
As time goes by you will see
There is a new turn at the end of the street
Just walk on
Mhm, yeah
Keep on, and on and onDiggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told
Diggin' in the dirt
Diggin' in the dirt
To find some soulTo find some soulTo find some soulKeep on, and on and on
Keep on, and on and on
Keep onDiggin' in the dirt
Looking for gold
Getting through the hurt for something to hold
In every single word let the story be told
Diggin' in the dirt

Diggin' in the dirt
To find some soulTo find some soulTo find some soulDiggin' in the dirt
Diggin' in the dirt
