

# Shame (do You Think God Is Dead?)

## Stabbing Westward

I only see myself reflected in your eyes  
So all that I believe I am essentially are lies  
And everything I've hoped to be or ever thought I was  
Died with your belief in me so who the hell am I?  
I don't know if I'm real without you  
What is left of me without you?  
I don't know what's real without you  
How can I exist without you?  
I'm wondering 'round confused, wondering why I try  
The more that you deny my pain the more it intensifies  
I pray for someone to ache for me the way I ache for you  
If you ignore that I'm alive, I've nothing to cling to  
I don't know if I'm real without you  
What is left of me without you?  
I don't know what's real without you  
How can I exist without you?  
I stare into this mirror so tired of this life  
If only you would speak to me or care if I'm alive  
Once I swore I would die for you but I never meant like this  
I never meant like this no, I never meant like this  
I don't know if I'm real without you  
What is left of me without you?  
I don't know what's real without you  
How can I exist without you?  
How can I exist without you?  
How can I exist without you?
