Roll Down Run South

Claire

Ride the seven seas
Run up your flag
Don't care about fees
Can't stop the heaven from fallingYou've got to paint the sky
Paint it blue
We don't regret nothing
And so do youRoll down run south
We will never grow old
So shout out loud
The fast life fades
When time runs slow
So slow, so slow
When we act like little lovers
You tell these stories from far away
Tales about the past and where it ends
As we're about to leave into the night
Relieved from all these sorrows
Free like pirates on the open seaFree to go where ever our minds will carry us
Free to go where ever our minds will carry us
