

# Woman

## Anouk

I remember you stepped in the store  
And you kept me standing in one place for way too long  
And there you smiled at me but all that I could say was just  
Hello sir what will it be You're a Jesus with shoes on  
I can see the light in your hair  
It's happening again  
Ooh baby  
Well have you told your mom  
That you won't be coming home  
Don't you worry now  
She can do it on her own You shot me  
In my heart  
I just wanna be  
Your woman And now we're all alone  
You make me lose my cool  
I can't deny it and I can't pretend  
What I see is what I get  
Your arms around me  
Here we stand I believe that we can make it through  
Take me as I am it's up to you  
Can you see the things that nobody else can see  
Think it over now that you still can  
Are you though enough to be my man  
Or will you also try to walk away anyway  
Well have you told your mom  
That you won't be coming back  
Boy you look so fine baby how about upstairs You shot me  
Right here in my heart  
And I just wanna be  
Oh, your woman Your woman  
Your woman Have you told your mom  
That you won't be coming home  
Don't you worry now  
She can do it on her own Have you told your mom  
That you won't be coming back  
Boy you look so fine baby how about upstairs Your woman  
Your woman oh oh oh oh oh  
Ah ah ah ah
