

(Ain't Nothing Gonna) Save This World

Flotsam and Jetsam

Is this real or just a test?
Attitude learned from the best
Attitude learned from the best
Showed the cross but never blessed
Been sleeping long without rest
Is this real or just a test?
Attitude learned from the best
Showed the cross but never blessed
Been sleeping long without rest
Is this real or just a test?
Attitude learned from the best
Showed the cross but never blessed
Been sleeping long without rest
