

The Weight of My Words

Kings Of Convenience

There are very many things
I would like to say to you
But I've lost my way
And I've lost my words
There are very many places
I would like to go but I
Can't find the key
To open my door
The weight of my words
You can't feel it anymore
The weight of my words
You can't feel it anymore
There are very many ways
I would like to break the spell
You've cast upon
Me 'Cause all the time
I sacrificed myself
To make you want, me
Has made you haunt me
The weight of my words
You can't feel it anymore
The weight of my words
You can't feel it anymore
The weight of my words
You can't feel it anymore
There are very many things
I would like to say to you
But I've lost my way
And I've lost my words
There are very many places
I would like to go but I
Can't find the key
To open my door
