## Douglas Dare

Days go by so slow for me  
Eyes I try to force feed  
You were warningBehind glass eyes  
it's hard to tell  
whether pleasure is reaching your cells  
Oh I'm helplessI keep repeating myself  
Each time the same line  
but nobody's listening to meI've been tolling confidence  
But I can't shy away from this  
Oh I'm helpless  
I keep repeating the same line over  
time and time again  
I'm repeating myself  
But nobody's listening to me
