CÂ´Mon

Junior Senior

You know you're kinda tasty, the way that you walk, yeah
you know you drive me crazy, the way you talk you talk you talk
you know i want to do you, and do you no harm yeah
a come a little closer and feel on my charm, 'cause baby you're so fine you really blew my mind and I hope its gonna work out and maybe you'll be mine

Cruisin in my van just lookin for my man -- c'mon
c'mon c'mon
Just get you're boot down to the dance floor baby - c'mon
c'mon c'mon
Just get you're butt down to the jukebox baby - c'mon
c'mon c'mon c'mon c'mon Come OOOOON yeah!

I'm gonna gonna get you - oh yeah yeah yeah yeah!
but nobody told you not all in love is fair
your mouth is big and dirty but I'd kiss you if I could
don't care about your taste 'cause you make me feel so good
'cause baby you're so fine you really blew my mind and I hope its gonna work out and maybe you'll be mine

rockin round the world just looking for my girl - c'mon - c'mon c'mon
Just get you're boot down to the dance floor baby - c'mon
