

# Snow White

Mark Dekoda

I hear you moving  
Beneath the wood  
I fear you  
He said I would

I know what I need  
A memory of Snow White  
Now i don't want you

Now it's soothing  
I see through you  
What you gave to me  
Was misunderstood

I know what I need  
A memory of Snow White  
Now I don't want you

I know what I need  
A memory of Snow White  
Now I don't want you
