

# Boombox Generation

## Motion City Soundtrack

There's no consolation prize  
There's no prize for consolation  
There's no consolation prize  
There's no prize for consolation All stuck in the middle  
Between what is and what might be  
A great sensation has swept the nation  
Everybody wants the image you've got for sale  
With massive compromations on your part  
But buddy you've taken the nation  
Check it out the new teen beat model of the year There's no consolation prize  
There's no prize for consolation  
There's no consolation prize  
There's no prize for consolation Struck down from the pillar  
Short lived is all you'll ever be  
A once great sensation  
Has wiped out the nation  
Your message is no longer for sale  
And no proclamation  
Will return the station You held onto while the rest of us moved on  
As not quite sensations  
But mere subatomic particles of the nation  
We're happy if our songs get heard at all  
So bring forth donations  
For the boombox generation  
That's right There's no consolation prize  
There's no prize for consolation  
There's no consolation prize  
There's no prize for consolation Don't be afraid  
Of what you say  
'Cause anyway  
Is the only way
