Get Involved

Ginuwine feat. Timbaland & Missy Elliott

Get involved Ginuwine
Get involved Timbaland
Get involved Misdemeanor
Get involved
Ginuwine get involved
Blow your mind, I does it all
Misdemeanor, that freaky talk
That fready-deaky-dick, lick-licky talk
I ain't gotta take it off
I just wanna get involved
I just wanna get involved
I, I just wanna get involved
You wanna get involved? Get involved
I don't mean to come on, come on too strong
But girl you make me weak
Look so pretty, so innocent
Make me wanna bring out the freak
Ain't gotta be scared, go ahead let it out
It could stay between you and me
We could turn it up, I'm turnin' you out
If you take my hand and leave
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me

Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
You know my M.O. girl, it's Timbo
Get dough and I stay on my grind
You say that you ain't leavin' with me tonight
Then why you keep givin' me the eye?
A little convo, you'll be ready to go
I bet that I, I could make you mine
I'll beat on your drum, bump, bump, get you off
I bet that I could beat it right
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Man, you know you wanna get it bald
Tryn'a get up in my sugar walls
T-t-take my clothes off
Ride that pony like, "Woo-ha"
Yeah, you know I'm a fri-di-leak, leak
Heavy D twidity didi-di-di
Ain't no chick be flyer than me

My lumps so big see 'em in 3D
Hop in the the track like skir-der-de-der
Timbaland did the beat, yidi-yet-yer
Ginuwine back like, yidi-yet-yer
Can't nobody top that thur
Well, it takes two to make a thing go right
Here comes baby with me all night
You should know what a real chick likes
Get involved, well I just might
Girl get involved, involved
Girl get involved, involved
Girl get involved, involved
Girl get involved, involved
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Get down, get down, come on, come on
Girl, girl get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
Girl get it involved with me
Get involved with me
